

When you've got to have

PANELS

Choose REBCO Standard or Custom !

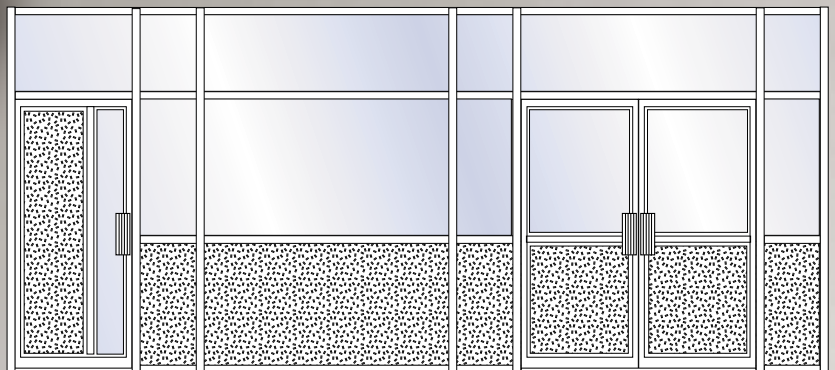

REBCO can now provide panels to meet your specific needs. Standard panels in clear or bronze anodized, and white or bronze painted finishes will be available in 4' x 8' and 4' x 10' sheets in both 1" or 1/4" thicknesses.

Custom colors, sizes, thermal characteristics and finishes are no problem. Panels can be finished on either one or two sides with a smooth or textured finish, and can be cut to specific sizes at our factory.

Our standard delivery services apply to our panel products as well as REBCO windows, entrances and storefront systems which are fabricated in our 100,000 square foot plant. We also stock a large variety of aluminum sheets, angles, channels, extrusions, and stock door packages for "just-in-time" delivery.

Call today for REBCO's current pricing and delivery information.

Our courteous and knowledgeable inside sales staff will be more than happy to provide you with the information and product literature you need. A copy of our detailed product catalog is available on request.

We invite you to compare our quality panel products , reasonable pricing and prompt, courteous service.

When it comes to custom panels . . .

REBCO'S IN FRONT!!!

At REBCO, we are always ready to assist you in solving your most unique problems!
